MOWA Choctaw Friends Center After School Program

Program Purpose Statement

The After School Program of the MOWA Choctaw Friends Center exists to support the intellectual, social, and character development of its students by providing a healthy, safe, and positive learning environment during the hours they are not in school.

Students from Kindergarten through Sixth Grade make up the enrollment of our program. A maximum of thirty students may be enrolled at one time.

Activities include: tutoring in the areas of math & reading, review & help with homework, daily devotions, character education, computer training & lab time, Choctaw cultural activities, arts & crafts, snacks, field trips, & recreation.

How Can I Get Involved?

The Center is continuing to partner with individuals and Meetings in an effort called "Team 2 Tutor". These financial partnerships will help offset the expenses necessary to conduct tutoring services for local children. Partnerships are available on 2 levels: Gold and Silver.

Gold = \$40 per month
Silver = \$20 per month

Our After School Program will begin mid-August in conjunction with school calendars for the Mobile & Washington County Schools. Our partnerships, however, are based upon a nine month commitment - September 2008 through May 2009. To become a partner in this ministry, fill out the form in this brochure. Mailing instructions are included.

Team 2 Tutor Partnership Registration

Name: _____

Address: _____ State: _____ Zip: _____

Phone: _____ Email: _____

Partnership Level: Gold (\$40) _____ (Please keep in mind this program runs from September to May)
